Hurricane Grill & Wings is  
teaming up with  
Project Graduation!

Everyone is welcomed to join us!

Where: ALL of our locations in  
Martin County.

When: Every MONDAY (all day long) in  
the month of May

How: Come into our restaurants, where you can dine with great people &  
great food. Notify your server that you'd like to help with Project  
Graduation. He or she will show you how to put your name & email on the  
back of your receipt. You can then place your receipt in the Project  
Graduation container.

We will match a portion of all funds received, and together we can make  
graduation great for the teens from all three Martin County high schools!
